Dragons F.C. Coach's Expectations for Parents

At Practices:

If your child is misbehaving and not focusing, I would appreciate it if you could gain their attention and, in a pleasant manner, ask them to focus.

I encourage parents to pick up the balls when they leave the play area and keep track of the equipment.

I'll invite some of the parents to help with some of the drills.

In game:

You are encouraged to give your children positive reinforcement. However, any strategic or tactical decisions regarding the game should be left to the coach.

Arguing with the referee is unacceptable, and it might result in a ban from viewing games.

Arguments with the opposing team's parents and children are not permitted. An offense can result in a ban from watching the games.

Please keep track of our balls.

PLEASE ARRIVE ON TIME FOR THE GAMES. ATLEAST 30 MINUTES BEFORE GAME TIME.

IF YOU HAVE ANY CONCERNS OR FEEDBACK AFTER A GAME PLEASE WAIT ATLEAST AN HOUR TO CONTACT US.

Group Chat:

Notifying the coach of your intentions to attend practices or games will help you participate in the group chat. monitoring practices and games as well.

IT IS CRITICAL TO KEEP ALERTS TURNED ON SO THAT YOU CAN KEEP TRACK OF ALL OF THE EVENTS, GAMES, AND PRACTICES GOING ON AT OUR CLUB.

Your payment to this team isn't meant to guarantee your kids a spot in games without effort. You're investing in us to equip your children with essential skills and a competitive mentality. To achieve this, they must face challenges and earn their positions through dedicated practice and ambition. We cannot shelter them from disappointment when their desires aren't instantly fulfilled. Our goal is to help them realize the importance of taking charge of their lives and putting in the hard work needed to achieve their aspirations.

It all begins with the mindset of the parents to guide them.

Dragon F.C. Tryouts

Every Division will be having tryouts starting January 2025 to Determine If they will be placed on team A or Team B. Team A will be playing in SGV Soccer League and joining tournaments. Team B will be playing in Inter-America Soccer League. If there isn't enough players for a Team B both team A and Team B will be participating together in Baldwin Park League.

It is critical that we provide children who love soccer with the skills they need to progress and go to the next level. From participating in tournaments and competing against top teams. It is also crucial to provide a safe environment for children who simply want to play and have fun.

Dragons F.C. Competitive team

Practices are Mandatory

Games and tournaments are Mandatory

Commitment and passion are non negotiable

Having a positive mindset and adaptability is essential.

We hold each parent and kid to a higher standard.

Dragons F.C. Loyalty

Playing in leagues or tournaments with other teams is not discouraged by our team. We encourage your children to continue being active and developing. But we must be your top priority. In order to build a strong team dynamic, your children must prioritize our practices, leagues, and tournaments. We are among the few clubs that don't require you to sign a contract or pay in advance. We trust you to be honest and truthful.
